

ICM: Inner Cell Mass

TG: Trophoblastic giant cells

PE: primitive endoderm

RM: Reichert' s membrane

TE: Trophectoderm

ExE: Extraembryonic ectoderm

EC: Ectoplacental cone

DVE: Distal visceral endoderm

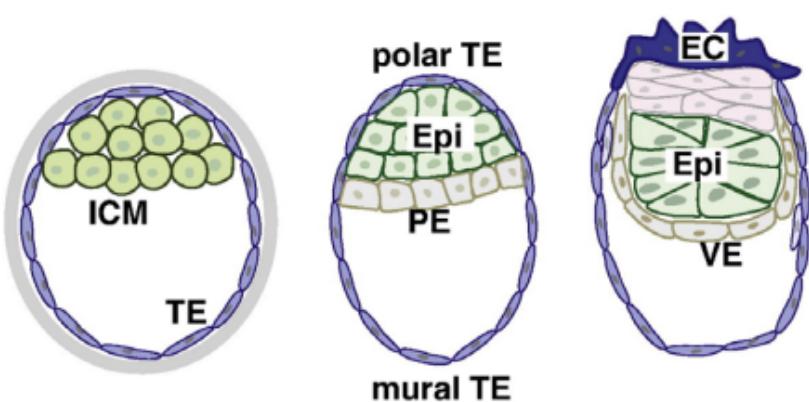

Epi: Epiblast

AVE: Anterior visceral endoderm

VE: Visceral endoderm

PS: Primitive streak

PaE: Parietal endoderm

Implantation

E3.5
